Subject: Confirmed WQS Academy Sacramento Date for June 17-21, 2019

Hi All,

Just wanted to let you know that we've confirmed the rescheduling of the WQS Academy in Sacramento for June 17-21, 2019.

CA SWRCB can release the June 24-28 date that we had tentatively held the facility for, and folks can clear their calendars of the April 1-5 date that we had initially contemplated.

Thanks,

Well, I don't think I have ever been more disappointed about a paid day off. Stephen, how possible is it to change the timeline? Our building will only have bare security staff on Monday, April 1 and all Water Board staff will not be able to attend.

Hi Rebecca,

Tatyana just brought this to my attention. Cesar Chavez Day falls on Sunday March 31, 2019. According to the notes if a holiday falls on a Sunday the following Monday is a holiday. Should we change the dates for the EPA Water Quality Standards Academy?

Hi Christine!

I was just entering the holiday schedule for next year and noticed that the observance of Cesar Chavez day is April 1st, the first day of the EPA Water Quality Standards Academy. I know that the exact days of that are still up in the air, but wanted to make sure that was on your radar for scheduling.

Hope you had a good weekend!
Tatyana
